

## OUR MISSION

The Matt Haverkamp Foundation, a non-profit 501(c)(3) organization, was established in 2005 to raise money to benefit the causes that were important to Matt. His career as a police officer was dedicated to the Golf Manor Police Department, where he developed the department's first K9 Unit and served his community with his K9 partner, Tibo. The Matt Haverkamp Foundation's mission is to assist local police departments by providing funding for the purchase of dogs for their K9 Units.

The Foundation is proud to have been able to purchase **131 K9s** and protective equipment totaling over **\$1,422,000** during the past 20 years. In 2025, we assisted 10 police departments by funding 16 K9s and equipment totaling over \$210,000. **So far in 2026 we have received requests for assistance for 6 K9s and hope to meet their needs. Your backing helps us to continue our mission to support law enforcement with their K9 Units and strengthens our ability to make a difference in the communities they serve.**

Matt's 5K Pursuit is the Foundation's largest annual fundraiser, which is a 3.1 mile run/walk through Spring Grove Cemetery. We extend the event throughout the morning and have K9 demonstrations, meet and greet, refreshments, door prizes, and awards for the top race finishers. We hope that you can participate in this year's 5K!
